FIRST TERM EXAMINATION

SECTION A: ENGLISH LANGUAGE

Read the passage carefully and answer Questions 1 to 5.

Every morning before school, Ada spent twenty minutes reading in the small library near her home. At first she read only storybooks, but soon she borrowed books about science, history and farming. Her teacher noticed that Ada wrote clearer essays and asked better questions in class. By the end of the year, Ada had read forty books and had started a reading club for the younger pupils on her street, who met every Saturday to share what they had learnt.

1. Where did Ada read every morning?
